Online Auction March 31 to April 7 at 9 p.m.

Restaurant Program – *Dining for Your Community*

In support of needed projects in your local communities

We thank the many local restaurants who donate gift certificates, dining experiences, and other items. We also thank the nine generous local restaurants that offered special partnership entrées in 2021, during our online auction week, with some proceeds supporting the Conservation Dinner Virtual Auction fundraiser of the Ausable Bayfield Conservation Foundation and Exeter Lions Club.

As we did last year, we will promote *Dining for Your Community* restaurant partners' names and logos on promotional channels such as websites, social and local media, livestream TV broadcasts.
